

Locked Out in the Snow

By Kim E. Kimmy

Illustrations by Hannah June

The lessons she learned at Sunday School in her rural community came to life as young Kim found comfort and a solution to a scary situation.

For anyone who remembers cold, snowy winters, and especially for children who may have never seen snow, or been on a farm, this is a heartwarming story about a little girl's ingenuity and perseverance, in a time before cell phones.

"Although this is a Christmas story, children ages 4 to 9 will enjoy this any time of the year. You'll be right there with seven-year-old Kim, who has to find a safe place from the snow when she can't get into her locked home. But, be careful . . . the snow in the beautiful pictures might make you cold, too!"
